Place of Service (POS) Codes for Professional Claims

Place of Service (POS) codes are used on professional claims (i.e., medical and dental) to specify the entity where service(s) were rendered. Check with individual payors (e.g., Medicare, Medicaid, other private insurance payors) for their reimbursement policies regarding these codes.

POS codes are maintained by the Centers for Medicare and Medicaid Services (CMS). These can be viewed on their website at *https://www.cms.gov/medicare/coding-billing/place-of-service-codes/code-sets*.

Place of Service Code(s)	Place of Service Name
